Located about five miles outside the Capital Beltway and the Vienna Metro is Fairfax's original schoolhouse, built in 1873. Now home to the Fairfax Museum and Visitors Center, the office complex, aka The Olde School Property, is a natural draw for both tourists and residents in the heart of Northern Virginia. The visitor center provides general visitor information, including lodging, restaurants, transportation and historic and natural attractions and special events in and around the city. The museum produces special exhibitions on city history, provides educational outreach to school and youth groups and offers walking tours of Old Town Fairfax and the city's historic buildings.

Mature landscaping and trees line the brick-paved paths that weave between the buildings at the historic property. Each office suite is now being offered with custom renovation options including new carpet, paint and, in some units, new layout and wall restructuring to fit the needs of your staff and production. Zoning: C-1 Limited (no personal services i.e. massage therapy, etc)

Offered as is, at one of the lowest rental rates in Northern Virginia, this light-filled office space will be custom suited, depending on needs of new tenant. In a quiet neighborhood, a spacious parking lot, nearby parks, a warm and inviting marble floored foyer lobby with elevator and handicapped access, this is a one of a kind office complex catering to positive energy in the workplace. Companies are in business to offer products or services that generate a profit. There is an exchange of energy flowing from employees to a company and back to employees in a constant cycle. Keeping this energy flowing smoothly is what generates higher productivity, higher morale, healthier working environments, happier employees and higher profits.

Property Information

Mosby Tower's combination of prime office space, excellent on-site amenities, and tremendous visibility make it one of the most desirable and recognizable business locations in Fairfax City. The building units are tailored to meet the needs of small and growing companies. On-site amenities include a conference center, storage units, deli, hair salon, nail salon, high speed internet and cable available, USPS/Courier drop-off station, UPS and FedEx stations, free surface parking, and a CUE bus stop. Since 2003, the ownership has performed numerous improvements to optimize the efficiency and appearance of the property including a new HVAC plant, resurfaced parking lot, refurbished lobby, and newly-finished office suites. In addition, a new roof was installed in 2001 and extensive interior and exterior upgrades were performed in 1999. Property substantially renovated in 2004.

This building was awarded an Energy Star label in 2008 for its operating efficiency.
