## **BEHAVIOR POLICIES**

### **ANTI-BULLYING POLICY**

Bullying is when one or more individuals intentionally exclude, tease, taunt, gossip about, physical harm, or put down another person in a way that causes harm. It occurs when someone or a group seeks to exert power over another person and uses that power to control or hurt them. Bullying can also happen online—through emails, text messages, social media posts, and other digital forms of communication. This type of bullying can cause emotional and physical harm, both during and outside of camp sessions, and is especially damaging when individuals are targeted with exclusion and "meanness."

At the City of Fairfax Summer Camp, bullying is inexcusable, and we have a strict policy against all forms of bullying. Our camp philosophy aligns with our mission to ensure that every camper has the opportunity to develop new skills and improve their performance, gain a deeper understanding of and appreciation for their own abilities, foster the development of leadership skills, and most importantly, keep all children safe and happy. We work together as a team to help campers build self-confidence, form lasting friendships, and create wonderful memories that will stay with them long after the summer ends.

Unfortunately, individuals who are bullied may not have the same opportunity to fully benefit from their camp experience. Our leadership takes all incidents of bullying seriously and ensures that staff are trained to foster open communication with both their colleagues and staff. This approach encourages a comfortable environment where staff and campers can alert us to any issues that arise, whether during camp or between camp seasons.

We may need your help to stop bullying at our camp! If your camper comes home and shares that they have been bullied or have witnessed bullying, please inform the staff immediately. Every camper deserves to have the best possible experience at camp. By working together to identify and address bullying, we can ensure that all campers and staff have a positive and enjoyable summer.

### **BEHAVIOR AND DISCIPLINE POLICY**

Camp staff prioritize the prevention of negative behavior by focusing on praising positive actions and redirecting negative ones. We believe that discipline should be tailored to each child's age, individuality, and developmental level. Our approach focuses on the behavior, not the child, to encourage positive

change. To help children thrive, we use positive guidance, redirection, continuous supervision, and clear limits during disciplinary actions.

All children are expected to behave in a respectful and appropriate manner. We do not tolerate hitting, name calling, foul language, destruction of property, or any other inappropriate behavior as deemed by the staff. Depending on the severity and frequency of the behavior, disciplinary actions such as timeouts, days off from camp, or suspension may be implemented to correct the behavior. In severe cases, the Parks and Recreation Department reserve the right to dismiss a child from the program. **No refunds will be issued** in such cases.

### **CAMP RULES**

Campers are expected to follow all camp rules to ensure a positive experience for everyone. The following rules must be observed:

- ◆ Remain in designated camp areas at all times.
- ◆ Stay with their assigned leaders at all times.
- ◆ Do not run in school halls, rooms, or buildings.
- ◆ Use appropriate language at all times.
- ◆ Be respectful to other campers, staff, and facilities at all times.
- ◆ Refrain from any horseplay and engaging in any dangerous activities.
- ◆ Only leave camp when signed out by parent/guardians or trusted contacts.
- ◆ Do not bring weapons, projectiles, alcohol, drugs, or illegal substances. **Possession will result in immediate expulsion from all camp programs.**
- ◆ Abide by any additional rules and procedures specific to the program.

### **CHILDREN WITH SPECIAL ACCOMADATIONS**

The City of Fairfax is committed to making reasonable accommodations in accordance with the Americans with Disabilities Act (ADA). The City of Fairfax Parks and Recreation Department welcome children with all abilities in an inclusive camp setting, provided it is determined that the child will be best served in our camp environment.

A **Special Needs Request Form** is available upon request. The more information you can provide about your child's specific needs and the resources required, the better our staff will be able to ensure your child's needs are met throughout the camp experience.

## **PROGRAM PROCEDURES AND POLICIES**

### **ATTIRE**

Children should dress comfortably for camp. We recommend wearing shorts and a T-shirt. **Sneakers are required; sandals or open-toed shoes are not appropriate.** Please avoid sending your child in dress clothes, as they will be participating in a variety of activities such as sports and arts and crafts, which could get messy.

On days when water related activities are planned, you will be notified in advance. We suggest your child bring a towel, bathing suit, and an extra set of clothes. **Please label all personal belongings to ensure they are returned if misplaced.**

### **CANCELLATION, DELAY, OR EARLY DISMISSAL**

If camp is delayed, cancelled, or dismissed early due to severe weather, power issues, or other unforeseen circumstances, you will be notified by both phone and email. Updates will also be posted on the City of Fairfax Parks and Recreation Department website and the City Facebook page. In the event of early dismissal, all parents will be contacted immediately via phone and email.

### **ELECTRONICS & VALUABLE ITEMS**

Please do not send your child with electronics (e.g., phones, tablets, etc.) or other valuable items to camp. If you need to reach your child, please contact the camp site directly. **The camp is not responsible for lost, stolen, or damaged items.** Any items brought to camp that are deemed inappropriate, or are used inappropriately, will be held by the Camp Site Leader and returned to the parent/guardian at the end of the camp day.

### **HEAD LICE**

Please check your child's hair regularly for signs of head lice. If you find any indication of head lice, it is mandatory that your child stay home from camp, treat the lice, and see a doctor immediately. A doctor's note may be required for your child to return to camp.

Head lice are a common occurrence at camp due to the high number of children in close contact. It is important that both you and your child are aware of how lice spread, especially through shared clothing and accessories such as hats, hoodies, swim caps, and theme day attire.

For more information on how to detect head lice and what to do if you find them, visit:  
<https://www.cdc.gov/lice/about/head-lice.html>

### **ILLNESS AND INJURY**

If your child becomes ill or injured at camp, we will attempt to contact you (the Parent/Guardian) first. If we are unable to reach you, we will then contact Emergency Contact #1, followed by Emergency Contact #2, and so on, until we can reach someone. Please inform your emergency contacts of their responsibilities and ensure they are readily available. Make sure your emergency contact information is up to date and accurate.

If your child is sick, please keep them home from camp. Children may not attend camp if they exhibit any of the following symptoms or illnesses:

- (1) Fever of 100°F (38°C) or higher
- (2) Recurring vomiting or diarrhea
- (3) Head lice
- (4) Contagious rashes
- (5) Any other illness on the Virginia Health and Department List of Current Communicable Diseases.

Please notify the Site Director immediately if your child contracts a communicable disease (e.g., Chickenpox, Pink Eye, Head Lice, Head Foot and Mouth Disease).

**Note:** Refunds or credits will not be provided for missed camp days due to sick days unless a doctor's note is received within 24 hours for serious medical conditions.

### **LATE OR ABSENT CAMPERS**

Parents are asked to notify the camp if their child will be late or absent. Each morning, camp staff will take attendance and keep a record of who attends. To ensure the safety and whereabouts of every child, we appreciate your cooperation in notifying us of any absences or delays.

### **LATE PICK-UP**

Parents must pick up their child at the designated end time of the camp day. The Parks and Recreation Department incur additional costs for any camper who is picked up late. If you are unable to pick up your child at the designated end time, please arrange for an authorized trusted or emergency contact to pick up your child. If the person picking up your child is not listed on the authorized pickup list, please call the camp to add them.

#### **Late Pickup fees are as follows:**

- **First warning:** No Charge
- **1-15 minutes late:** \$20.00
- **16-30 minutes late:** \$40.00
- **31-45 minutes late:** \$60.00
- **46-60 minutes late:** \$80.00

Camp staff will attempt to contact the parent/guardian. If the parent or an authorized trusted or emergency contact cannot be reached, the police will be contacted for assistance. For the safety of all children, we will not leave any child unattended at the camp site.

*By state law, if a child has not been picked up within one hour of the camp's scheduled end time, and we are unable to reach the parents or authorized contacts, we are required to contact the police.*

### **LOST AND FOUND OR LEFT ITEMS**

A designated Lost and Found area will be set up at each camp site. The City of Fairfax Parks and Recreation Department will hold all lost or left items until the end of August. After this time, any unclaimed items will be donated to a charitable organization.

To help ensure your camper's belongings make it back home, please remember to label everything clearly with your child's name.

### **LUNCH/SNACK**

Campers must bring a nonperishable bag lunch and a drink to camp each day. Please label all lunch bags, boxes, and drink containers with your child's name. We recommend packing lunches with adequate nutritional value. Do not send perishable foods or food in glass containers.

Given the level of activity and heat, please **ensure your child brings a water bottle every day to stay hydrated.**

**Please Note:** Due to the potential for severe peanut allergies, parents may be asked not to pack foods containing peanut products. Be sure to list any allergies on the Camper Health Profile so staff can take appropriate precautions.

## **MANDATED REPORTING**

In accordance with Virginia State law, all camp staff are Mandated Reporters. This means that any suspicious circumstances or behaviors suggestive of child maltreatment must be reported to Fairfax County Child Protective Services.

## **MEDICATION**

- We request that parents administer necessary medications to their children before or after camp hours. However, we understand that some medications must be given during camp. If your child needs to take medication during camp hours, please adhere to the following guidelines:
- Medication **must be in its original, labeled container as provided by the pharmacist**. A separate letter from the physician may be required for medications such as EpiPens, inhalers, and other prescriptions.
- **Include written instructions** detailing administration times and dosages.
- Any leftover medication must be picked up by the end of the summer.

Parents must complete the Medication Administration Form, available in your online portal, or request one from the Parks and Recreation Department. A separate form is required for EpiPens and inhalers. Please inform your child's camp staff about any medications and any specific concerns you may have.

## **PARENT/GUARDIAN VISITORS AND INVOLVEMENT**

We encourage open communication with your child's camp staff. If you have any questions, concerns, or need to address any situation, please feel free to contact the City of Fairfax Parks and Recreation Department at **703-385-7858**, or reach out directly to the Assistant Recreation Manager, **Aster Minehart**, at **703-947-9227**.

## **POLICY FOR NONDISCRIMINATION**

The City of Fairfax Parks and Recreation Department welcome camper registrations on a first-come, first served basis and does not discriminate based on race, gender, national origin, religious preference, age, or disability.

## **SIGN-IN AND SIGN-OUT PROCEDURES**

Each day upon arrival at the camp site parents or guardians must sign in their child(ren) with a staff member at the site entrance. **The Parks and Recreation Department is not responsible for children dropped off before the designated start times.**

**At the end of the day, parents or guardians must sign out their child(ren) with a staff member.**

For your child's safety, the staff will request identification from everyone picking up a camper, including parents/guardians. **Campers will not be allowed to leave unless proper identification is presented at the time of pickup.** Please ensure you have added trusted contacts to your child's profile to facilitate pickup by someone other than yourself.

### **SUNSCREEN/INSECT REPELLENT**

We strongly recommend that parents or guardians apply sunscreen (minimum SPF 15) to their child **before arriving at camp. Campers must bring their own sunscreen, clearly labeled with their name.** Camp staff can remind campers to reapply sunscreen and assist with spray sunscreen only, but only if this has been authorized by parents on the Participant Information Form (online). **Camp staff will not apply sunscreen to participants. Please ensure that your child knows how to properly apply sunscreen to themselves before coming to camp.**

### **THEME DAYS**

Many of our camps incorporate theme days into the program, which often include dress up days, special activities, and more. While participation is encouraged, it is not required for all campers. We invite campers to join in the fun and show their creativity but understand if they prefer not to participate.

This summer, rising 5th–7th graders will enjoy a fun and safe environment filled with sports, games, arts and crafts, and special events. Campers will engage their creative, physical, and intellectual abilities while focusing on teamwork, communication, and self-esteem. Each week, Art and PE Specialists will visit, and campers will go on one field trip along with in-house entertainment.

The typical day will be similar to the Elementary Summer Day Camps, but with more challenges suited for older campers. Staff will encourage mental and physical growth through team sports, larger gym spaces for group activities, and more complex arts and crafts projects. The day will feature specialist-led rotations and special activities designed to engage and challenge campers at this age level.
