City of Fairfax 2035 Development Scenarios Survey

Thank you for participating in our survey. Your feedback is important.

The city is seeking public input on the five development scenarios presented at the December 7 public meeting. Your feedback will help the Planning Commission and staff in preparing the 2035 Comprehensive Plan future land use map, which shows the desired future land uses organized by category. The future land use map informs zoning and development decisions.

For more information about what scenario planning is and how the proposed scenarios were developed, please visit our [webpage "Public Meetings on Future Scenario Planning"](#) by [clicking here](#).

If you are ready to proceed, please click on the "Next" button below.

Public comments will be collected through the end of January 2018.

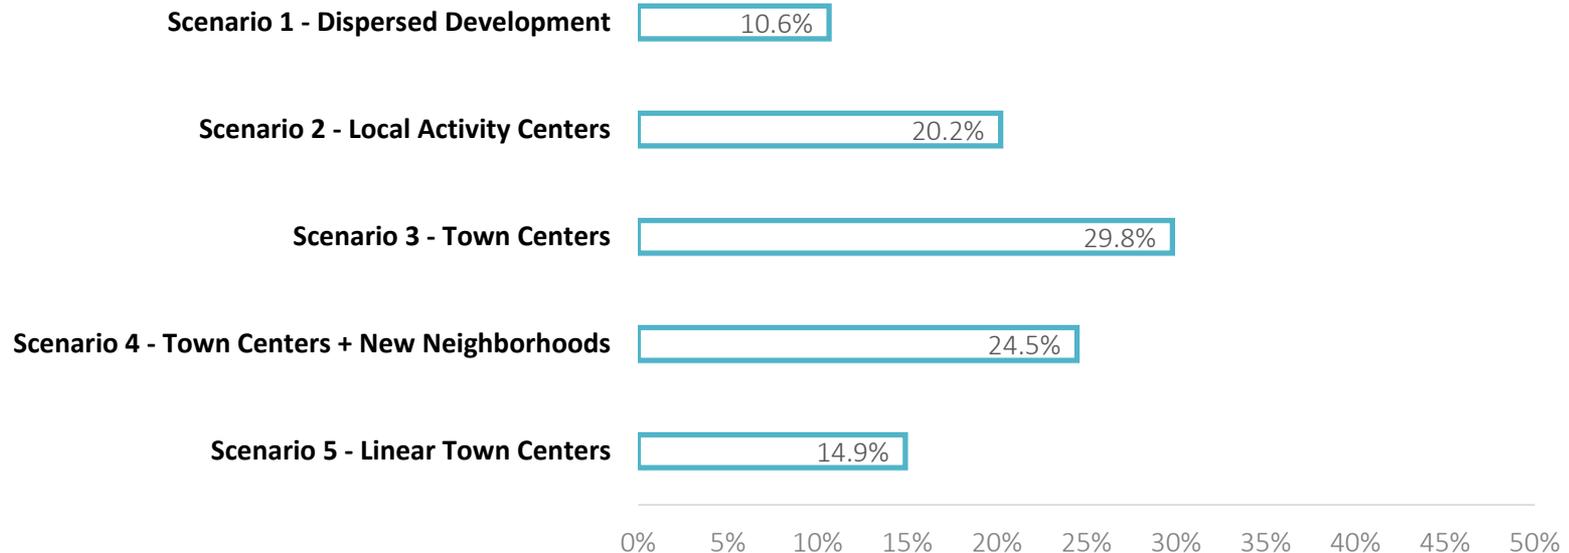

Next

- Survey open online December 13, 2017 to February 1, 2018
- Paper survey available
- 94 responses received

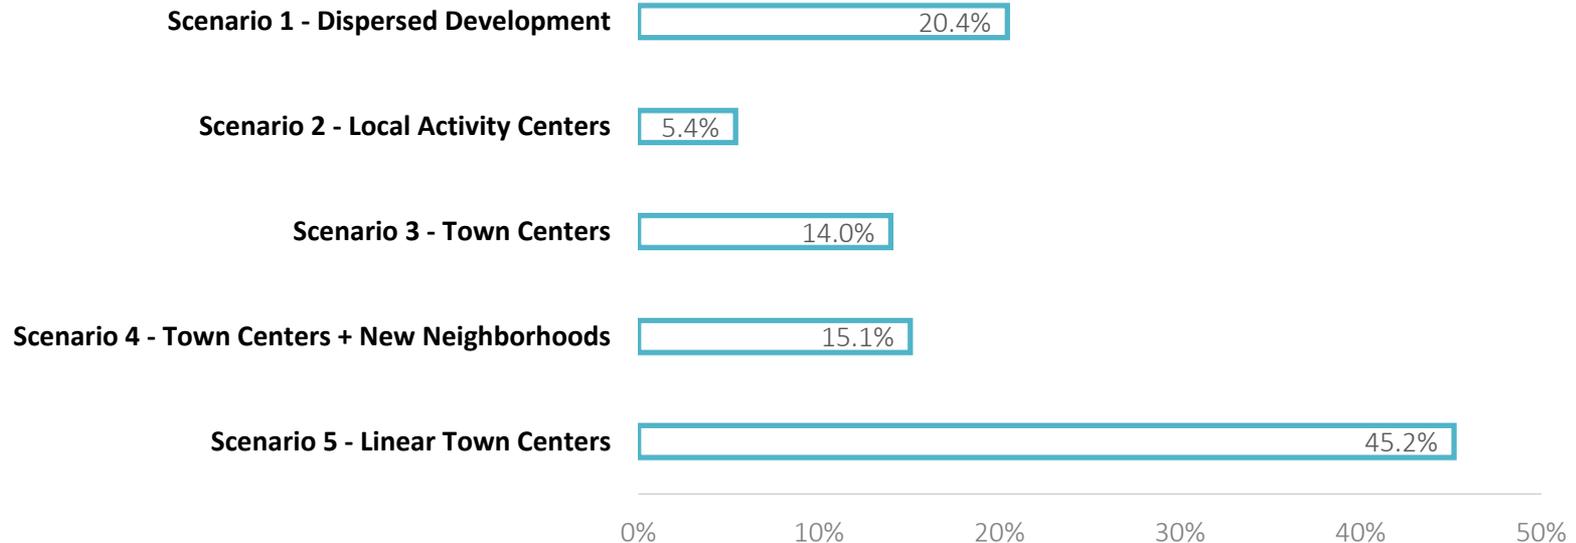

Development Scenarios Survey Results

Question 1: Which scenario do you like the most?
