FAIRFAX CITY FILM & MEDIA PRODUCTION NOTICE AND PERMIT DOCUMENT

Instructions:

Note: [Please make sure the filming address is within City limits.](#) Some addresses (such as Centerville, Chantilly, and Merrifield) are in Fairfax County, which is a separate jurisdiction from Fairfax City. To film on private property, please contact the property owners in addition to filling out the below form.

The City reserves the right to deny or reject any request for filming within reason. Consideration for the well-being of property, public safety, and the promotion of City assets will be considered. The City, at the discretion of the City Manager, may modify this form from time to time and may waive any and all fees. Rules and regulations will be posted and updated on this site from time to time

Costs based on the needs outlined in the information provided will be detailed to you following an intake conversation when the permit is issued and certain incentives may be available.

If you have any questions, contact the Film & Media Production program (City Manager's Office) at 703-385-7800 (TTY 711) or economicdevelopment@fairfaxva.gov.

Please fill out and email this form at least 5 business days in advance if you wish to film on public property in Fairfax City.
