

Fairfax City Environmental Sustainability Committee October 17, 2019

Purpose: To identify and plan for the ESC's key goals over the coming year and to develop a structure / action plan for the Committee's work moving forward

Desired outcomes: By the time we leave today, we will have:

- Had an opportunity to review the survey results (goal prioritization) and discuss our ideas for key goals/priorities
- Decide on goals / priorities for the coming year
- Determine the committee structure that will best support our work
- Determine our plans for our communications with stakeholders

AGENDA

- 1. Introductions – new ESC members**
- 2. Discussion of survey results: possible goals / focus areas**
- 3. Decide ESC's goals for the next year**
- 4. Determine structure for how ESC will be organized to accomplish its work**
- 5. Develop agreements for external communications – City Council, community engagement, etc.**
- 6. Next steps / Action planning (e.g. December 3rd Work Session)**
