

CITY OF FAIRFAX PARKS AND RECREATION PARKS RULES

Introduction

The City of Fairfax is fortunate to have 279 acres in public parklands and over 21 miles of trails for the enjoyment of all. The day-to-day responsibility for having beautiful parks that provide “Amazing Experiences” for individuals and groups that visit them is not only the City’s and the Parks and Recreation Department’s responsibility, but each person’s responsibility. We encourage all of our patrons to always be considerate of other people and to be careful to protect the natural environment and recreation facilities.

In order to assist citizens in maintaining a safe and beautiful park system, the City Council has established the following rules.

Parks Definition

Parks are defined as designated parks and open space properties owned and maintained by the City. Parks include all facilities and amenities within the specific property site boundaries to include but not limited to, athletic fields, courts, playgrounds, skate parks, trails, open areas, pavilions, site equipment, sprayspad, etc. When used herein, the term “Parks” shall mean any or all of the above.

§1.01 Park Hours
